# Legionella

Consortium Procurement and WPA have collaborated to create a Legionella framework, specifically for Wales.

The framework offers a range of flexible call off options, in addition to providing Welsh Public Sector bodies a fully OJEU compliant route to market.

The framework agreement provides the following solutions for Legionella:

## Sub-Lot 2.1

Legionella Consultancy Services – Risk assessments, gap analysis, tender evaluations, Analytical Microbiological Testing and Training.

## Sub-Lot 2.2

Legionella Water Quality and System Maintenance Services.

## Sub-Lot 2.3

Legionella Fully Managed Service.

The appointed suppliers cover the whole of Wales:

- Environtec Limited
