

T4 is the replacement framework for the TW3 Timber Windows and Doors Framework that expired earlier in 2018. It is part of the WPA elemental set of frameworks for PVC-U, Timber and Aluminium Windows and Doors along with Composite Entrance Doorsets and Communal Entrance Doorsets.

APPOINTED COMPANIES

The framework has 3 separate Regional Lots (North, Mid and South Wales), all assessed individually, and includes suppliers who have demonstrated the competence and experience to undertake services or works within that region.

Through our evaluation process we appointed the following companies onto the framework as they have offered the best Value for Money.

	North Wales	Mid Wales	South Wales
• Arden Windows Ltd	✓	✓	✓
• Bowater Building Products			✓
• Heron Bros	✓	✓	✓
• Sashless Window Company	✓		
• Sovereign Group	✓	✓	✓

TYPES OF PROPERTIES THE FRAMEWORK IS USED IN:

Due to the diversity of our Clients, this framework arrangement can be used with all types of public buildings and buildings managed using public funding, including but not limited to:

Residential

- Single occupier and multiple occupier dwellings – houses, flats and residential
- Common areas of residential blocks
- Low, medium and high-rise residential homes including those with vulnerable persons

Non-Residential

- Managed Residential Blocks
- Care homes and sheltered accommodation
- Commercial office buildings, central or local housing team offices, halls and day care centres
- Municipal buildings such as libraries, sports halls, museums etc

- Other public buildings such as conference centres and other commercial buildings
- Educational buildings such as universities, schools and colleges
- Research establishments
- Hospitals/hospital-related properties, Health centres and GP surgeries
- Emergency services buildings

AWARD WEIGHTING CRITERIA

FRAMEWORKS IN ACTION

Quick and efficient procurement

Mini-competition and direct award available to enable the final selection of a supplier or supplier(s) for a project.

High quality standards

Standards of quality maintained throughout project through monitoring in accordance with ISO 9001 Quality Management System.

Quick project starts

Enabled by pre-tendered procurement that reduces the cost and time input by public sector organisations and speeds up their access to companies.

Specification and production standards

High level specifications and approval to latest British and European standards.

Instant access to project data

Continuous access to information throughout the procurement process through the suppliers' on-line portal.

Service levels guarantee

Guaranteed service levels, from enquiry to supply, providing peace of mind that services and works will be conducted effectively.

Advice on design and regulatory compliance

Guidance on interpretation and conformity to statutory regulations.

Delivery periods guarantee

Guaranteed delivery periods that ensure services and works are delivered to meet work schedules.

ELIGIBILITY

WPA is part of LHC, a not-for-profit organisation, governed by public law, and a central purchasing body providing procurement services. Over 200 publicly funded organisations throughout the UK used LHC frameworks to procure works, goods and services to construct, refurbish and maintain social housing, schools and public buildings last year.

- Local Authorities and any subsidiaries and joint-venture vehicles of those Local Authorities
- Registered Social Landlords (RSL)
- Health Authorities, Boards and Trusts
- Publicly Funded Schools
- Universities and Further Education Establishments
- Colleges
- Police Forces
- Fire and Rescue services
- Registered Charities

Details of those contracting authorities identified are listed at www.welshprocurement.cymru/who-we-work-with/

CALL OFF/AWARD OPTIONS

The Framework allows partners the option of direct award or mini-competition.

When calling off projects, clients can use any one of a range of standard forms of building contract including JCT/SBCC, NEC3/NEC4, ACE, PPC, TPC, FAC1, or their in-house agreement

WPA (Welsh Procurement Alliance)

LHC uses the FAC1 standard form of contract to manage our frameworks. The LHC pro forma, which should be read in conjunction with the FAC1 in published form, details the terms and conditions that govern the operation of the framework, including the procedures to call off projects under the framework. A free copy of the LHC proforma is available upon request. The FAC1 in standard published form can be purchased at a negotiated rate from ACA, by emailing office@acarchitects.co.uk and quoting discount code reference: LHCFAC2516102017.
